

5 Things You Should Know About WAL-MART & UNIONBUSTING

When workers at Wal-Mart try to form a union for respect, decent health care, fair wages, and working conditions...

- 1 Wal-Mart has responded by threatening, penalizing, intimidating, and even **firing pro-union workers**.
- 2 Wal-Mart **taps into calls and emails** from their stores around the country to monitor whether employees are talking about forming a union.
- 3 Wal-Mart dispatches a rapid-response **anti-union squad** at any indication of its employees considering union formation.
- 4 Wal-Mart store officials receive a “**union-free toolbox**” and are encouraged to call a hotline at the first sign of any interest in a union.
- 5 And when one Wal-Mart in Canada did form a union, Wal-Mart **shut down the entire store!**

For more details on Wal-Mart’s anti-union practices, visit:

www.americanrightsatwork.org/walmart

Find out about how Wal-Mart’s everyday low wages and benefits are putting middle-class jobs on the chopping block in American Rights at Work’s report, **WAL-MART: Rolling Back Workers’ Wages, Rights, and the American Dream.**

American Rights at Work is a national organization dedicated to ensuring every worker has a free choice and a fair chance to form a union.
